Dear Greg:

We wanted to thank you for giving us the opportunity to work with you. We have all heard the saying "if something is too good to be true, it probably is" this is definitely not the case with Creative Alternatives. We had some credit problems, but the lease purchase option gave us the opportunity to lock in a price while we saved money and fixed our credit. This is truly a great company, which offers the best in service. It's hard to come by an honest, trustworthy person who is not just in it for the money. Thanks to you and your company, our dream of owning a home is now a reality and we could not be happier with our purchase. From the leasing process to the actual closing, there were never any questions; everything was handled professionally and with great respect. I will recommend Creative Alternatives to anyone looking to lease, purchase, or sell; they will not be let down.

Best Regards,

The Rodgers Family
